Strategies for Building Learner-Teacher Interaction

► Structure, personalize course
► Model engagement
► Provide feedback: timely, relevant, encouraging
► Show empathy, use warm tone in communication
Research shows that students' perceptions of their teachers’ presence (their enthusiasm, approachability, and knowledge) are strong predictors of students’ interest (Quinlan, 2019).
Strategies for Improving Learner-Content Interaction

► Find ways to have students interact with content
► Provide class level and individual student feedback
► Enable learners to apply what they are learning to real-world situations
► Use Rubrics
Strategies for Building Learner-Learner Interaction

- Guide introductory and icebreaker activities
- Design for peer-to-peer interaction
- Create opportunities for dialogue
- Consider group work
